

# Britain Through the Ages

## Year 3 Homework – Term 3

### Task 1

Using any media create your own tessellating picture.

### Task 2

Write your own adventure story. Create your own characters, setting and plot.

### Task 3

Show us what you have learned about different forces and magnets. You could design your own experiment to test one of these concepts.

### TERMLY CREATIVE TASKS

Please choose just one to present in any way you choose. Due date: **Tuesday 7<sup>th</sup> February.**

Please practise these joining patterns. How many words can you find with these patterns in?

### Times tables

Times tables should be answered randomly and with rapid recall. Fluency should be in multiplication and division of 2, 5 and 10 times tables to achieve the Bronze award.

Many children are now focusing on 3x, 4x and 8x tables for their silver award. In Year 3, we have weekly times tables challenges on Thursdays with certificates.

### Spellings
