

Little book of adventures

The ideas and experiences in this booklet are opportunities that we would like all children at Red Oaks Primary School to experience as part of their journey with us from Reception to Year 6.

Each year group has a list of 20 ideas to complete over the year. These experiences can be done at home or in school. We aim for at least 15 of the 20 in each year group list to be completed at school but they can certainly be done more than once. Trips and residentials will be a great way for children to experience some of these exciting adventures.

You may find you complete challenges from a different year group but they cannot be ticked off until you are in the correct year group and can be done again and again if you wish!

When you have completed one of the activities, please bring your card to your class teacher, share your experience and have it signed off. You don't have to record doing the activity in any way. However, if you would like to, we would love to see pictures, videos or models on Class Dojo or brought into school!

Our challenge is to try and tick off all of the experiences before you leave Red Oaks in Year 6.

We hope you have lots of fun with this one!

Reception

1. Visit a farm
2. Paint a self portrait
3. Plant bulbs and watch them grow
4. Make leaf rubbings
5. Have a teddy bears picnic
