

Home/School Agreement COVID-19

School

The school will do its best to:

- Provide an environment which has been risk assessed in response to the COVID-19 infection following Government guidelines;
- Adhere to the social distancing rules as set out by the government as much as we reasonably can;
- Provide a curriculum that meets the needs of your child's well-being, mental health and academic needs;
- Contact parents/carers if your child displays any symptom/s of COVID-19;
- Inform you if staff or children in your child's 'bubble' test positive for COVID-19 as this will mean you will all need to self-isolate for at least 14 days;
- Continue our clear and consistent approach to rewards and sanctions for children as set out in the Behaviour Policy (with Covid-19 annex), as well the expectations outlined in this agreement;
- Communicate between home and school through notices, newsletters, text, email, Dojo and the school website.

Parent

To help my child at school, I know and understand that:

- If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, we will self-isolate for 14 days as a family, I will get them tested and I will let the school know as soon as possible via telephone/email;
- If my child shows symptoms of COVID-19 at school, I will collect my child from school immediately. I will get them tested and I will let the school know as soon as possible via telephone/email;
- On my commute, and when dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules;
- When dropping off and picking up, I will strictly stick to the school timings for my child and only one adult will accompany my child;
- My child will only bring in a lunch box (where required), water bottle and coat/sun hat and PE kit (that will remain at school);
- I will not be allowed into the school – contact will be through email or phone;
- I need to support all staff in their efforts to create an 'as safe as possible' environment during this time;
- I will communicate effectively with school and inform them of any changes to emergency contacts details. I will also read all letters/messages/emails that are sent home;
- I will follow social distancing rules at all times, and understand if there is evidence that I am not respecting social distancing rules, I may be required to stay off school premises;
- If my child is deemed unwell, the offer of school based learning will be revoked and remote learning will be offered until they are safe to return.
