## TIPS TO BUILD EMOTIONAL RESILIENCE IN KIDS

Spend quality
time with kids.
When they feel loved
and supported, children
develop emotional strength.

Talk about
feelings so your
child learns to share
their worries and fears
with people they trust.

Instead of rushing to solve problems, give kids time to work things out themselves. When children experience failure or disappointment, it's important to praise their effort and encourage them to try again.

Acknowledge your own mistakes to teach kids that mistakes are essential for learning and growth.

If your child can't find a solution to a problem, use gentle questioning to guide them towards it.

Ensure kids are eating well and getting enough sleep and exercise.
