

Hello Ash Tree Class

I just coming n just to say hello because I haven't filmed anything for a long time now. I miss you all very much and I have loved seeing some of the things you've been sending me on Dojo and just seeing your lovely happy smiley faces makes me smile.

Well done to all of you who have been having a little go at some of the home learning challenges and if you haven't it doesn't matter as long as you are happy and safe I'm happy, so don't worry about it ok?

Now you've probably heard we might be coming back to school soon, some of you, I just wanted to let you know that you don't need to worry that as soon as its time to come back we will let you know. We want to make sure you come back and it is as safe as it possibly can be so some of the rules might have changed when you comeback and we might not all be together. Some of you might be with me some of you might not and I know that's going to be a little bit strange but I just want you to know that us teachers and adults are doing everything we can to make sure that you are going to be happy and having fun when you do come back, ok? So I don't want anyone to be worrying about it and we will give you some more information when we get it. But I'm really looking forward to being able to see some of your lovely, lovely faces and you smiling at me and although I cant run up and give you a cuddle like I'd want to, I think we can do some air high fives or we can come up with something so we can say hello to each other in our own special way.

If parents you have any questions about anything please remember you can contact me on Dojo or you can e-mail the school or -email Mrs Surch directly and we will try and answer them the best we can.

I just hope you are all happy and safe and I look forward to hopefully seeing you soon. Miss you lots!  
Bye!
